Sir,

Allowances - special allowances of Rs.20/- to the Sanitary Inspector for operating 16 m.m. R.C.A. Projector requesting.

The Municipal Council, Mangalore, has purchased a R.C.A.16 m.m. projector at a cost of about Rs.4,000/- for the purpose of propaganda on health subjects. It is incumbent that this costly machine should be left in charge of a responsible official. At present one of the Sanitary Inspectors who has a fair knowledge of operating the machine has been left in charge of the projector. The said Sanitary Inspector demonstrates the films on health subjects obtained from the Director of Public Health, Madras, and the United States Information Service, Madras, in schools and other institutions and in prominent places of this town. However, as this item of work is attended to by the S.I. in addition to his normal duties, the Council in its Res. No. 1634 dated 21-10-55, has sanctioned an allowance of Rs.20/- as an incentive to turn out better work.

In enclosing herewith a copy of the R.No. 1634 dated 21-10-55, I request that the Government may be pleased to accord their approval to the grant of the allowance sanctioned by the Council with retrospective effect from the date of the resolution.

Encl: One.
